Subject: Chat with Andrew Stein
From: Andrew Stein <steinlink@gmail.com>
To: barriticus@gmail.com

me: also heil hitler
me: h being eighth letter, etc
me: trust me, I'm from Texas
me: and have white trash family
Andrew: I trusted you already
me: lol
Andrew: http://www.tbd.com/blogs/weather/2011/02/climate-cyborg-brings-global-warming-debate-to-twitter-8599.html
me: that's gay
Andrew: I thought it was fairly entertaining concept
Andrew: whats gay about it?
me: because when I saw cyborg in title I thought something else
Andrew: its would be fairly trivial to hook up a good chatbot with some assertions it can use to argue any stupid subject on conservative message boards/blogs/etc
me: yeah
Andrew: drown them in discourse, so to speak
Andrew: distributed denial of discourse attack :)
me: it is a good idea
me: lol
me: nice
